This Creator Agreement governs your participation as a creator on infinite-atom.com, operated by Infinite Atom Technologies LLC. By uploading designs, files, or digital products for sale or distribution, you agree to these terms. This Agreement supplements the Partner Terms of Service, which is incorporated herein by reference.

### // 2. ELIGIBILITY

---

- Be 18 years of age or older
- Have a verified Partner account on the Platform
- Own or have all legal rights to all designs you upload
- Agree to these terms and all Platform policies

### // 3. DESIGN OWNERSHIP & RIGHTS

---

#### 3.1 Your Rights

You retain full ownership of all designs you upload. Uploading a design does not transfer ownership to Infinite Atom.

#### 3.2 License to Platform

By uploading a design, you grant Infinite Atom Technologies LLC a non-exclusive, worldwide, royalty-free license to display, promote, distribute, and sell the design through the Platform. This license terminates when you remove the design from the Platform.

#### 3.3 AI-Generated & AI-Assisted Designs

Designs created wholly or in part using artificial intelligence tools are permitted on the Platform subject to the following conditions:

- You must have the legal right to sell the design under the terms of the AI tool used to create it
- You are solely responsible for verifying that AI-generated designs do not infringe third-party intellectual property rights
- Infinite Atom makes no warranty regarding the copyright status or originality of AI-generated content
- If the AI tool's terms prohibit commercial use of generated content, you may not upload such content for sale

Infinite Atom reserves the right to remove AI-generated designs that are subject to valid intellectual property claims.

### 3.4 Your Warranties

- You own the design or have all necessary rights to sell it commercially
- The design does not infringe on any third-party intellectual property
- The design is not illegal or harmful
- You have all necessary licenses for any third-party elements included
- For AI-generated designs: the terms of the AI tool used permit commercial sale of the output

## // 4. REVENUE & COMMISSIONS

---

### 4.1 Commission Structure

Commission rates on sales of your designs are determined by your Partner tier as described in the Partner Terms of Service and Payment and Processing Policy. Commission is calculated on the gross sale price before payment processing fees.

### 4.2 Payment Schedule

Payments are made monthly via Stripe for all sales in the previous calendar month, provided your balance exceeds the minimum payout threshold. Partners must maintain a valid Stripe-connected payout account to receive disbursements.

### 4.3 Digital Downloads

Digital downloads including STL files, design files, and other digital products are non-refundable once downloaded. Infinite Atom is not liable for how a customer uses a downloaded design file. You are responsible for ensuring your digital products function as described.

### 4.4 Tax Responsibility

You are responsible for all taxes on your earnings. If you earn over the IRS reporting threshold in a calendar year, we will issue a 1099 form. Provide accurate tax information during onboarding.

## // 5. CONTENT STANDARDS

---

- Be original work or properly licensed including AI-generated content
- Not contain hate speech, violence, or illegal content
- Not infringe on trademarks, patents, or copyrights
- Be safe for general audiences unless specifically marked otherwise
- Include accurate descriptions, dimensions, and specifications
- Not be designed to cause harm, enable illegal activity, or violate any applicable law

Infinite Atom reserves the right to remove any design that violates these standards without notice.

## // 6. DMCA & COPYRIGHT

---

If you believe a design infringes your copyright, submit a DMCA takedown notice to [infiniteatomtech@gmail.com](mailto:infiniteatomtech@gmail.com). We will investigate and act in accordance with the Digital Millennium Copyright Act. Our DMCA registration number is DMCA-1070647, effective March 16, 2026.

Creators who receive valid DMCA takedowns may have their content removed and accounts suspended pending review. Repeat infringers will have their accounts terminated permanently.

## // 7. FUTURE PRODUCT TYPES

---

The Creator Agreement applies to all current and future digital product types offered on the Platform including but not limited to STL files, design files, digital art, printable templates, patterns, and any other digital downloadable content that may be introduced in future platform phases. Specific terms for new product categories will be communicated with appropriate notice.

## // FUTURE PLATFORM DEVELOPMENT

Infinite Atom Technologies LLC is an evolving platform. As new features, services, and capabilities are introduced — including but not limited to on-platform commerce, digital downloads, AI services, Infinite Atom Cloud infrastructure services, community features, and payment integrations — additional terms specific to those features will be published and incorporated into this Agreement by reference. Users and partners will be notified of material additions with a minimum of 14 days written notice before taking effect. Continued use of the platform after notice constitutes acceptance of supplemental terms.

## // ARBITRATION & DISPUTE RESOLUTION

---

PLEASE READ THIS SECTION CAREFULLY. IT AFFECTS YOUR LEGAL RIGHTS.

Any dispute, claim, or controversy arising out of or relating to this Agreement or the use of the platform that cannot be resolved through good-faith negotiation within 30 days shall be resolved by binding arbitration administered by the American Arbitration Association under its Consumer Arbitration Rules. The arbitration shall take place in Fairfield County, Ohio. The arbitrator's decision shall be final and binding. Each party shall bear its own costs and attorneys fees unless the arbitrator determines that a party acted in bad faith.

CLASS ACTION WAIVER: You agree that any arbitration or legal proceeding shall be conducted solely on an individual basis. You waive any right to bring or participate in a class action, class arbitration, or representative proceeding of any kind.

EXCEPTION: Either party may seek emergency injunctive relief in the courts of Fairfield County, Ohio to prevent irreparable harm pending arbitration. Nothing in this section prevents Infinite Atom from seeking collection of unpaid subscription fees through appropriate legal channels.

## // GOVERNING LAW

---

This Agreement is governed by the laws of the State of Ohio, United States, without regard to conflict of law principles. Any matters not subject to arbitration shall be resolved exclusively in the state or federal courts located in Fairfield County, Ohio. Both parties consent to personal jurisdiction in those courts.

## // SEVERABILITY

---

If any provision of this Agreement is found to be invalid, illegal, or unenforceable, that provision shall be modified to the minimum extent necessary to make it enforceable, or severed if modification is not possible. The remaining provisions of this Agreement shall continue in full force and effect.

## // ENTIRE AGREEMENT

---

This Agreement, together with all documents incorporated by reference, constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior negotiations, representations, warranties, and understandings. No amendment to this Agreement shall be binding unless made in writing and either agreed to by both parties or communicated with the required notice period.
