// 3. COMMUNITY STANDARDS

3.1 General Conduct

Be respectful. Disagreements are acceptable. Personal attacks, harassment, threats, and sustained negative behavior toward other users are not. Constructive criticism of products and services is welcome.

3.2 Event Listings

Bazaar and makerspace listings must be accurate. Do not list events you do not have authority to promote. Keep listings updated if details change. False or misleading event listings violate this policy and may result in account suspension.

3.3 Design & Product Uploads

Only upload designs and products you own or have rights to distribute commercially. Accurately describe materials, dimensions, specifications, and print settings. Disclose if content is AI-generated.

3.4 Partner Conduct

Partners must maintain accurate product listings, fulfill orders promptly, and communicate honestly with customers. Partners represent the Infinite Atom platform and are expected to conduct themselves professionally.

3.5 AI Tool Use

Atom AI and COSMO are provided to assist users and partners. You may not attempt to jailbreak, manipulate, or misuse AI tools on the Platform. You may not use AI tools to generate content that violates this policy. You may not use AI tools to scrape or harvest Platform data.

3.6 Forum & Community

Forum minimum word counts apply: replies require 8 or more words, new threads require 25 or more words. These minimums exist to ensure meaningful community participation. Low-effort posts designed only to farm points will be removed.

// 4. SECURITY

- Do not attempt to access accounts or systems you are not authorized to use
- Do not scrape, crawl, or systematically extract data from the Platform
- Do not conduct denial-of-service attacks or disrupt Platform operations
- Do not attempt to reverse engineer the Platform
- Do not exploit security vulnerabilities — report them to infiniteatomtech@gmail.com instead
- Do not attempt to circumvent payment systems or earn commission fraudulently

// 5. NO-CALL NO-SHOW POLICY

Partners who claim a vendor spot at a physical event through the Platform and then fail to attend without prior notice will receive a -30 point deduction from both Season Points and Lifetime Points immediately upon confirmation by the community reporting system. This policy protects event organizers and other vendors who rely on accurate vendor lists.

// 6. ENFORCEMENT

6.1 Violations

Violations of this AUP may result in content removal without notice, temporary suspension, permanent ban, point deductions, and legal action where applicable.

6.2 Reporting

To report a violation, contact infiniteatomtech@gmail.com with details of the content and its location. Reports are investigated at Infinite Atom's discretion.

6.3 Appeals

If you believe your content was removed in error, contact infiniteatomtech@gmail.com. We will review appeals within 5 business days. Appeal decisions are final.

// 7. FUTURE FEATURES

This policy applies to all current and future Platform features. As new capabilities are introduced including but not limited to live streaming, digital events, virtual vendor spaces, and expanded AI tools, this policy will be updated to address conduct specific to those features.

// FUTURE PLATFORM DEVELOPMENT

Infinite Atom Technologies LLC is an evolving platform. As new features, services, and capabilities are introduced — including but not limited to on-platform commerce, digital downloads, AI services, Infinite Atom Cloud infrastructure services, community features, and payment integrations — additional terms specific to those features will be published and incorporated into this Agreement by reference. Users and partners will be notified of material additions with a minimum of 14 days written notice before taking effect. Continued use of the platform after notice constitutes acceptance of supplemental terms.

// ARBITRATION & DISPUTE RESOLUTION

PLEASE READ THIS SECTION CAREFULLY. IT AFFECTS YOUR LEGAL RIGHTS.

Any dispute, claim, or controversy arising out of or relating to this Agreement or the use of the platform that cannot be resolved through good-faith negotiation within 30 days shall be resolved by binding arbitration administered by the American Arbitration Association under its Consumer Arbitration Rules. The arbitration shall take place in Fairfield County, Ohio. The arbitrator's decision shall be final and binding. Each party shall bear its own costs and attorneys fees unless the arbitrator determines that a party acted in bad faith.

CLASS ACTION WAIVER: You agree that any arbitration or legal proceeding shall be conducted solely on an individual basis. You waive any right to bring or participate in a class action, class arbitration, or representative proceeding of any kind.

EXCEPTION: Either party may seek emergency injunctive relief in the courts of Fairfield County, Ohio to prevent irreparable harm pending arbitration. Nothing in this section prevents Infinite Atom from seeking collection of unpaid subscription fees through appropriate legal channels.

// GOVERNING LAW

This Agreement is governed by the laws of the State of Ohio, United States, without regard to conflict of law principles. Any matters not subject to arbitration shall be resolved exclusively in the state or federal courts located in Fairfield County, Ohio. Both parties consent to personal jurisdiction in those courts.

// SEVERABILITY

If any provision of this Agreement is found to be invalid, illegal, or unenforceable, that provision shall be modified to the minimum extent necessary to make it enforceable, or severed if modification is not possible. The remaining provisions of this Agreement shall continue in full force and effect.

// ENTIRE AGREEMENT

This Agreement, together with all documents incorporated by reference, constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior negotiations, representations, warranties, and understandings. No amendment to this Agreement shall be binding unless made in writing and either agreed to by both parties or communicated with the required notice period.
