## Intellectual Property Policy

*Platform IP, Trademarks & User Content Rights*

*Effective Date: March 23, 2026 | Document Version 1.0 | infinite-atom.com*

---

### // 1. OVERVIEW

---

This Intellectual Property Policy describes the intellectual property rights of Infinite Atom Technologies LLC, the rights of users and partners on the platform, and how intellectual property disputes are handled. This policy supplements the DMCA Policy, Terms of Service, Creator Agreement, and Partner Terms of Service.

### // 2. INFINITE ATOM TECHNOLOGIES LLC — OWNED IP

---

#### 2.1 Platform Technology

All software, code, algorithms, database schemas, API designs, and technical infrastructure of infinite-atom.com are the exclusive intellectual property of Infinite Atom Technologies LLC. You may not copy, reverse engineer, decompile, disassemble, or create derivative works from any platform technology without prior written permission.

#### 2.2 Trademarks & Brand

The following are trademarks and protected brand elements of Infinite Atom Technologies LLC:

- "Infinite Atom" — name and wordmark
- "Infinite Atom Technologies" — full company name
- The Infinite Atom logo and logomark — atomic orbital design
- "Atomic Makers Network" — name and concept
- "Atomic Community" — name and concept
- "Founding Merchant" — name and tier concept
- "Atom AI" and "COSMO" — AI assistant names
- "Infinite Atom Cloud" and "IAC" — infrastructure brand
- Any other names, logos, slogans, or brand elements associated with the platform

You may not use any Infinite Atom trademark or brand element in your business name, domain name, product names, marketing materials, or social media without prior written permission. You may state factually that you are a partner on infinite-atom.com.

#### 2.3 Trade Dress

The visual design of the Platform including color scheme, typography, layout patterns, user interface elements, and overall visual identity constitutes protected trade dress of Infinite Atom Technologies LLC. Copying or imitating the Platform's visual identity for any competing or confusingly similar product is prohibited.

#### 2.4 Platform Content

All original content created by Infinite Atom Technologies LLC including written copy, marketing materials, documentation, policy documents, feature descriptions, and all content not submitted by users is the exclusive property of Infinite Atom Technologies LLC. This content may not be reproduced without written permission.

## // 3. USER & PARTNER CONTENT RIGHTS

---

### 3.1 You Own Your Content

You retain full ownership of all original content you create and submit to the Platform including product listings, descriptions, images, designs, forum posts, and profile information. Uploading content to the Platform does not transfer ownership to Infinite Atom.

### 3.2 License to Infinite Atom

By submitting content to the Platform you grant Infinite Atom Technologies LLC a non-exclusive, worldwide, royalty-free, sublicensable license to:

- Display your content on the Platform and in platform marketing materials
- Distribute your content to users and partners as part of Platform operation
- Promote your content in newsletters, social media, and community features
- Create thumbnail images and previews of your content for display purposes
- Cache and deliver your content through CDN and hosting infrastructure

This license exists only to operate the Platform and promote partners. It does not give Infinite Atom the right to sell your content independently or license it to third parties for unrelated purposes. This license ends when you remove the content or close your account.

### 3.3 Content Warranties

By submitting content, you warrant that:

- You own the content or have all necessary rights to submit it
- The content does not infringe any third-party intellectual property rights
- The content does not violate any applicable law
- You have the right to grant Infinite Atom the license described above

You agree to indemnify Infinite Atom from any claims arising from your content violating these warranties.

## // 4. AI-GENERATED CONTENT & IP

---

The legal status of AI-generated content under copyright and intellectual property law is unsettled and evolving. Infinite Atom takes the following position:

- Partners who use AI tools to generate product images, descriptions, designs, or other content are responsible for ensuring they have the legal right to use and sell that content under the terms of the AI tool used
- Content generated by Atom AI or COSMO in response to user prompts may be used by the user for their business purposes subject to Anthropic's (Claude) usage policies and any applicable terms of the underlying AI provider
- Infinite Atom makes no warranty regarding the copyright status, originality, or IP clearance of AI-generated content
- If a third party claims that AI-generated content on the Platform infringes their rights, Infinite Atom will process the claim under the DMCA Policy

## // 5. REPORTING IP INFRINGEMENT

---

To report intellectual property infringement that is not covered by the DMCA (such as trademark infringement or trade dress copying), contact [infiniteatomtech@gmail.com](mailto:infiniteatomtech@gmail.com) with:

- A description of the intellectual property you believe is being infringed
- The specific location of the allegedly infringing content on the Platform
- Your contact information
- A statement of your rights in the intellectual property

Infinite Atom will review reports and take appropriate action at its discretion. False or bad faith infringement reports may result in account action against the reporter.

---

## // 6. PLATFORM IMPROVEMENTS

Any suggestions, feedback, ideas, or improvements you submit to Infinite Atom about the Platform become the property of Infinite Atom Technologies LLC. You waive any claim to compensation or credit for suggestions that are implemented. This does not affect ownership of your existing content on the Platform.

---

## // 7. ENFORCEMENT

Infinite Atom actively monitors the Platform for intellectual property violations including unauthorized use of platform trademarks, copying of platform trade dress, and infringement of partner content. Violations will be addressed through content removal, account termination, and legal action where appropriate. Infinite Atom reserves the right to seek injunctive relief, damages, and attorneys fees against parties who willfully infringe our intellectual property.

---

## // CROSS-REFERENCE

This policy is part of Infinite Atom Technologies LLC's comprehensive legal framework. It should be read in conjunction with the Terms of Service, Privacy Policy, Acceptable Use Policy, Partner Terms of Service, DMCA Policy, and all other platform policies. All policies are incorporated by reference into each other. The full legal framework is available at [infinite-atom.com/terms](https://infinite-atom.com/terms) and from [infiniteatomtech@gmail.com](mailto:infiniteatomtech@gmail.com).

---

## // MODIFICATIONS

Infinite Atom Technologies LLC reserves the right to update this policy at any time. Material changes will be communicated to registered users with a minimum of 14 days written notice before taking effect. Continued use of the Platform after the effective date of changes constitutes acceptance of the updated policy.

---

## // GOVERNING LAW & ARBITRATION

This policy is governed by the laws of the State of Ohio. Any disputes arising from or related to this policy are subject to binding arbitration in Fairfield County, Ohio as described in the Terms of Service. Class action waiver applies.
