Platform Identity & AI-Generated Assets Acknowledgment Form

Document 28A — Required Before Using Platform AI Tools

Version 1.0 | infinite-atom.com

THIS FORM MUST BE COMPLETED BEFORE USING ATOM AI, COSMO, OR ANY PLATFORM AI TOOLS TO CREATE BRAND ASSETS, BUSINESS NAMES, LOGOS, OR CREATIVE CONTENT. USING PLATFORM AI TOOLS WITHOUT COMPLETING THIS FORM STILL CONSTITUTES ACCEPTANCE OF THE PLATFORM IDENTITY POLICY.

// PURPOSE OF THIS FORM

This Acknowledgment Form confirms that you, as a partner or prospective partner on infinite-atom.com, have read and understood the Platform Identity & AI-Generated Assets Policy (Document 28). This form exists to ensure that no partner builds a brand identity on the Platform without fully understanding who owns what and what happens when a subscription ends.

This is not a trick. This is not hidden. This is the deal, explained plainly, confirmed by your signature.

// WHAT YOU ARE ACKNOWLEDGING

By signing this form, you confirm that you understand and agree to each of the following statements. Read each one carefully.

STATEMENT 1 — THE SYSTEM BELONGS TO INFINITE ATOM I understand that the Infinite Atom platform — including all AI tools, the community infrastructure, the discovery system, the Atomic Makers Network map, the spotlight system, and all platform features — is owned and operated by Infinite Atom Technologies LLC. The platform is the product. I am a participant in the platform, not an owner of it.

STATEMENT 2 — AI-GENERATED CONTENT IS OWNED BY INFINITE ATOM I understand that all content created through Platform AI Tools (Atom AI, COSMO, or any future platform AI) — including business names, logos, taglines, product descriptions, brand voice, marketing copy, and any other creative output — is owned by Infinite Atom Technologies LLC. I am receiving a license to use this content, not ownership of it.

STATEMENT 3 — MY LICENSE IS TIED TO MY SUBSCRIPTION I understand that my right to use AI-generated content created through Platform AI Tools exists only while my partner subscription is active and in good standing. If my subscription ends for any reason — cancellation, termination, non-payment, or any other reason — my license to use AI-generated brand assets, logos, business names, and all other Platform AI outputs ends immediately.

STATEMENT 4 — I MUST STOP USING AI-GENERATED CONTENT AFTER SUBSCRIPTION ENDS I understand that if my subscription ends, I must immediately stop using any AI-generated logos, brand names, taglines, product descriptions, or other content created through Platform AI Tools on external platforms, social media, websites, marketing materials, or in any other context. Continued use after subscription termination is a violation of this Agreement and will be pursued through legal action.

STATEMENT 5 — MY STALL URL IS NOT MINE TO KEEP I understand that my partner stall URL ([infinite-atom.com/stall/\[my-slug\]](https://infinite-atom.com/stall/[my-slug])) is hosted on Infinite Atom infrastructure and is the property of Infinite Atom Technologies LLC. I do not own this URL. It ceases to function when my subscription ends and cannot be transferred or taken with me.

STATEMENT 6 — MY COMMUNITY HISTORY STAYS ON THE PLATFORM I understand that my Season Points, Lifetime Points, badges, spotlight history, leaderboard rankings, and all community reputation elements are properties of the Infinite Atom Platform. They have no existence or value outside the Platform. They do not transfer if I leave and do not return if I resubscribe after cancellation.

STATEMENT 7 — I OWN MY CRAFT AND MY PRE-EXISTING BRAND I understand that my physical products, my skills, my craft, and any brand elements I created and used in commerce before joining the Platform are mine regardless of subscription status. Infinite Atom does not own my hammers, my hands, or my pre-existing business identity.

STATEMENT 8 — NAME AND LOGO RIGHTS CAN BE PURCHASED I understand that I have the option to purchase Name Continuation Rights (\$200 standard / \$100 Founding Merchant) or Logo Buyout Rights (\$500 standard / \$250 Founding Merchant) if I want to keep using AI-generated brand assets after my subscription ends. I understand that these options have eligibility requirements including minimum subscription duration.

STATEMENT 9 — THIS IS THE DEAL AND I ACCEPT IT I understand that the Platform Identity & AI-Generated Assets Policy is a fundamental term of my partner relationship with Infinite Atom Technologies LLC. I accept this model. I understand the tradeoff: I get access to powerful AI tools, a built community, discovery infrastructure, and a maker marketplace — in exchange for building my digital identity on infrastructure that Infinite Atom owns. I enter this relationship with full knowledge of these terms.

STATEMENT 10 — I HAVE READ DOCUMENT 28 I confirm that I have read the full Platform Identity & AI-Generated Assets Policy (Document 28) before signing this form. I did not simply skip to the signature. I understand that my use of Platform AI Tools is governed by that document in its

entirety, and that this form does not replace or summarize all of its provisions.

// SIGNATURE

By signing below, I confirm that I have read and understood all 10 statements above and the full Platform Identity & AI-Generated Assets Policy (Document 28). I agree to be bound by all terms of that Policy. I understand that my use of Platform AI Tools creates content owned by Infinite Atom Technologies LLC and that my license to use that content is contingent on maintaining an active, paid, good-standing partner subscription.
