

INFINITE ATOM TECHNOLOGIES LLC

Cookie Policy

How We Use Cookies & Similar Technologies

Effective Date: March 23, 2026 | Document Version 1.0 | infinite-atom.com

// 1. OVERVIEW

This Cookie Policy explains how Infinite Atom Technologies LLC uses cookies, local storage, session storage, and similar technologies on infinite-atom.com. By using the Platform, you consent to the use of essential cookies as described herein. Non-essential cookies are only used with your consent where required by applicable law.

// 2. WHAT ARE COOKIES

Cookies are small text files stored on your device by your browser when you visit a website. They allow the website to remember information about your visit and preferences. Similar technologies include local storage, session storage, and pixel tags. This policy covers all such technologies collectively referred to as 'cookies.'

// 3. TYPES OF COOKIES WE USE

3.1 Strictly Necessary Cookies

These cookies are essential for the Platform to function. They cannot be disabled. They include:

- Authentication tokens — keep you logged in to your account across pages
- Session identifiers — maintain your session state during a visit
- Security tokens — protect against cross-site request forgery (CSRF)
- Supabase authentication cookies — manage your login state through our authentication provider

Legal basis: Legitimate interest and contractual necessity. These cannot be turned off without breaking the Platform.

3.2 Functional Cookies

These cookies enhance your experience but are not strictly required. They include:

- Preference storage — remembers your display preferences and settings
- Atom AI mode preference — stores your selected Atom AI mode (Full / Chill / Professional)
- Theme and layout preferences — if implemented in future platform phases

Legal basis: Consent or legitimate interest. These can be disabled through your browser settings with some impact on functionality.

3.3 Third-Party Cookies

The following third-party services may set cookies when you use the Platform:

- Google Fonts — may set cookies for font delivery optimization. Governed by Google's Privacy Policy.

- Supabase — sets authentication cookies for secure login management. Governed by Supabase's Privacy Policy.
- Stripe — sets cookies during payment processing flows. Governed by Stripe's Privacy Policy.

Infinite Atom does not use third-party advertising cookies, tracking pixels for advertising, or retargeting technologies. We do not allow advertisers to set cookies on our Platform.

3.4 Local Storage & Session Storage

The Platform uses browser local storage and session storage for non-sensitive display preferences and temporary session data. This data does not leave your device and is not transmitted to our servers. Local storage data persists until cleared. Session storage data is cleared when you close your browser tab.

3.5 Analytics

As of the effective date of this policy, Infinite Atom does not use third-party analytics cookies (such as Google Analytics). If analytics tracking is introduced in future platform phases, this policy will be updated and users will be notified with appropriate notice.

// 4. COOKIE DURATION

Cookie Type	Duration	Purpose
Authentication token	Session / 7 days	Keep you logged in
CSRF security token	Session	Protect form submissions
Preference storage	Up to 1 year	Remember your settings
Stripe payment	Session	Process payments securely
Google Fonts	Up to 1 year	Font delivery

// 5. MANAGING COOKIES

5.1 Browser Settings

You can control and delete cookies through your browser settings. Most browsers allow you to refuse cookies, delete existing cookies, and set preferences for specific websites. Instructions vary by browser — consult your browser's help documentation.

5.2 Impact of Disabling Cookies

Disabling strictly necessary cookies will prevent you from logging in and using account-dependent features. Disabling functional cookies may affect your experience but will not prevent basic browsing.

5.3 Do Not Track

Some browsers send a Do Not Track (DNT) signal. As of the effective date of this policy, the Platform does not currently respond to DNT signals because we do not engage in behavioral tracking. If this changes, this policy will be updated accordingly.

// 6. FUTURE COOKIE USE

As the Platform grows and new features are introduced including community features, analytics, payment flows, and AI capabilities, additional cookies may be implemented. This policy will be updated before any new non-essential cookies are introduced, with appropriate notice and consent mechanisms.

// CROSS-REFERENCE

This policy is part of Infinite Atom Technologies LLC's comprehensive legal framework. It should be read in conjunction with the Terms of Service, Privacy Policy, Acceptable Use Policy, Partner Terms of Service, DMCA Policy, and all other platform policies. All policies are incorporated by reference into each other. The full legal framework is available at infinite-atom.com/terms and from infiniteatomtech@gmail.com.

// MODIFICATIONS

Infinite Atom Technologies LLC reserves the right to update this policy at any time. Material changes will be communicated to registered users with a minimum of 14 days written notice before taking effect. Continued use of the Platform after the effective date of changes constitutes acceptance of the updated policy.

// GOVERNING LAW & ARBITRATION

This policy is governed by the laws of the State of Ohio. Any disputes arising from or related to this policy are subject to binding arbitration in Fairfield County, Ohio as described in the Terms of Service. Class action waiver applies.
